

# Resource 1 – Lundy Model

Taken from Ireland's National Framework for Children and Young People's Participation in Decision-Making (2015-2020) the Lundy model below is a rights-based model initially developed by Professor Laura Lundy and adapted with her for inclusion in the Framework. It provides decision-makers with guidance on the steps to take in order to give children and young people a meaningful voice in decision-making.

## Lundy Model

This model provides a pathway to help conceptualise Article 12 of the UNCRC. It focuses on four distinct, albeit interrelated, elements. The four elements have a rational chronological order.
